

Clover Island Marina

July 2015

ATTENTION

PUBLIC BOAT RAMPS CLOSED FOR IMPROVEMENTS STARTING JULY 28, 2015

In an ongoing commitment to enhance the public spaces on Clover Island, the Port will begin construction of a new public restroom, paved parking lot and landscaping followed by in-water ramp replacement work at the current public boat ramp location.

Please spread the word that the public boat ramps at Clover Island will be CLOSED starting Tuesday, July 28th through December 2015. Boat haul out services by the Port have been suspended until project completion.

We appreciate your patience during construction. Thank you!

SLIP TRANSFER FEE

Effective August 1, 2015, a \$50 transfer fee will be collected with every slip transfer request.

SECURITY CHANGE

The Port has selected a new provider for nightly security patrols of Clover Island and Clover Island Marina.

DID YOU REMEMBER?

SPIRIT AWARD

The Marina Spirit Award goes to David Boderick and family for showing Independence Day pride with a grand display of American flags on their boat. Stop by the Port office and pick up a little token of our appreciation.

Security officers with Phoenix Protective Corporation (PPC Solutions) will be conducting nightly foot patrols of each dock. Officers will have visible identification. As an additional security measure, please make sure your boats are locked and valuables are stowed on your vessel or taken home. To report an after hours incident call (509) 586-1186 and you will be connected with a security representative.

SPIDERS LOVE WARM WEATHER.....and marinas....

The Port contracts with Senske to spray the docks (pedestals and dock boxes too) 4 times per year for spiders control. They use a special product that is approved for use near the water. Please help control the population by keeping your boat sprayed off. Thank you!
