Ms. Bader Inglima received an email from Eric ffitch, Washington Public Ports Association (WPPA) Executive Director, requesting an interview with Mr. Arntzen or Ms. Bader Inglima, and Commissioner Novakovich to discuss the Port's message in the community. The WPPA has hired a consultant to update their goals and objectives with a focus on strategic communication planning and will be interviewing several other ports. From the interviews, the WPPA will develop a list of consensus messages for each community and broad themes that would be useful to each port. Ms. Bader Inglima inquired if the Commission is agreeable, she will reach out to Mr. ffitch for further details.

The consensus of the Commission is to move forward to assist the WPPA.
